Unfortunately, due to health reasons he couldn't do that anymore and Andrea Theuerkauf-Höppner was asked to take 	

over as new webmaster on his behalf. WAFDAL committee did agree with the change of webmaster function and Andrea has been officially approved as new webmaster.

- Old website has been deleted and taken offline in September 2015 and the new website has been online ever since.
- However, there were quite some obstacles to overcome in the beginning as the used provider was only communicating in Norwegian. Another issue has been the cooperation with "Uniweb" due to misunderstandings concerning invoices and money transactions.
- As the previously used provider has been quite expensive as well, the decision was made to change the provider and transfer the homepage to new provider "Strato". The transfer took more than anticipated; it took almost a month instead of one week.
- Please send all of you needed changes or wished updates to the WAFDAL secretary / Ursula Voitle. It'll be forwarded to me in short time.
- Please use as well the service to announce your national/club shows and other interesting events on our WAFDAL website to make your national events known in the international community.
