

## Report of the Treasurer

### Period from 25.06.2021 to 04.05.2023 (as of 08.05.2021)

With the settlement of the expenses of the last WAFDAL meeting in June 2021 in Eugendorf, the balance of the WAFDAL account amounted to € 6840.94.

At the beginning of 2022, invoices were sent to the member clubs again. The membership fee is based on the sum of the members of the respective association. For up to 200 members an annual fee of 50 € is payable, for up to 400 members an annual fee of 100 € and for more than 400 members an annual fee of 150 €. Only one club fulfilled the latter criterion in 2022 and no club in the 2023 financial year.

With the new association statutes from 2021, the association was also opened to private members. For an annual membership fee of 15 €, every private individual can become a member of WAFDAL since 2021. Thus, in 2021 and 2022, 10 private individuals joined WAFDAL.

Through the membership fees of the member clubs and the private members, a total of € 815 was collected in 2022. In addition, there are revenues of € 158.59 from the organization of a webinar on DCM at the Dalmatian in April 2022. Some of this income was paid with PayPal and remained as credit in the PayPal account at the end of 2022.

The only negative burden in 2022 was the server fee of Strato GmbH in the amount of € 23.40, so that the account had a plus of € 7767.73 at the end of 2022.

In 2023, 4 new private members have been added to date. A member has terminated his membership and a member has not paid his annual fee. Thus, at the time of this report, WAFDAL has 13 active private members.

Of the 13 association members, one member has not paid their membership fee (as of 04.05.2023). After transfer of the PayPal credit balance in the amount of € 65.71 and after deduction of the invoices available so far, from the company Strato GmbH in the amount of two times € 7.81 and from Andrea Theuerkauf-Höppner for the maintenance and care of the WAFDAL homepage in the amount of € 330, a plus of € 8490,01 remains on the account.

Since I occupy two other offices in the Club für Dalmatinerfreunde e.V. in addition to the honorary office as cashier of the WAFDAL, which have become more and more labor-intensive in recent years, I have decided after much consideration to resign this office as cashier here.

I also have to see that I use my private resources, which remain after my full-time job, sensibly. Unfortunately, I had to realize that three honorary positions in total are simply too many.

I hope that in the new elections there will be someone in this meeting who will happily take over the office of treasurer. Of course, I am still available for the handover and induction, even for a transitional period.

Hille, 04th of may

Lucia Wintererg
