Function	President
Name	Pfannenschmid
<p>Amongst others, challenges are given with the new legal situation in animal protection rights. Some breeds are at risk to be forbidden for further breeding due to health issues. Dalmatian breed is amongst those breeds at risk to be forbidden.</p> <p>Same is true for dog shows. Animal protection rules to be respected are often hard to achieve. Which puts local dog shows at risk due to execution problems of animal protection rules.</p>	

6. Report of the secretary

Name	Ursula Voitle
<p>It would be helpful to enhance communication in order to achieve more for the WAFDAL community. Please forward input for website, changes, documents if possible in time to the secretary to be handled accordingly for the benefit of all.</p> <p>Personal</p> <p>Looking for a soft exit from secretary work due to my age, younger colleagues should step in and take over. Frau Barbara Felder would step in to support in the secretary work and might hand her candidate in as a secretary in 2025.</p>
